Meet George. George was born in Virginia in 1750. For many years, George was a slave. But soon after he became a Christian, George's owner set him free.

George began to preach God's Word in Georgia and South Carolina. In 1782, George and his wife, Hannah, and their four children, sailed to the island of Jamaica. When he arrived in Jamaica, George found many people who had never heard about Jesus.

So, what do you think George did? He told Jamaicans all about how God loved them so much that He sent Jesus to die on the cross as payment for their sins. During his time in Jamaica, George started a church and hundreds of people came to know Jesus. Thirty years later, there were 20,000 believers in Jamaica! George died in 1828, but his legacy lives on.

Do you know what it means to be faithful? Someone who is faithful trusts God and obeys him, no matter what. George Liele was faithful. He trusted that God would take care of him and his family. He obeyed God's command to tell others about Jesus.

Today we celebrate George's faithfulness. We can be faithful, too. Ephesians 3:20-21 tells us that when we are faithful, God can do more than we can even imagine.

Let's pray and ask God to help us be faithful—to trust and obey Him. With our faithfulness, God will do great things!

"Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen."
